

**GENERAL ELECTRIC** - Distributor of high quality motors, drives and electronic controls.

**WORLD WIDE ELECTRIC MOTORS**- Distributor of extremely cost efficient and reliable AC motors. All motors come with a 3 year warranty, no questions asked. Great for plant replacement motors.

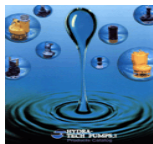

**WEG MOTORS AND DRIVES** - Distributor of WEG motors and drives. Availability to a large inventory across the US.

**ABS/CH&E PUMPS**- Stocking Distributor of ABS Pumps for industrial dewatering applications. Submersible dewatering available in MSHA approved. Including the entire CH&E line of sludge pumps.

**ROTO-JET PUMPS** -Distributor of high quality pressure and booster pumps. Ideal for dust suppression in the coal mining industry with flow rates up to 450 gpm and pressures up to 2250 psi.

**HYDRA-TECH PUMPS** - Hydraulic powered dewatering pumps for a wide range of applications including solids and slurry. Available in stainless steel for water quality problems or standard cast iron.

**MINOVA PRODUCTS AND SUPPORT** - Your source for application and technical assistance for ventilation seals, roof and rib control spray, fire protection spray, and pumpable cribs in longwall and pillar areas. We only utilize top quality products in conjunct

**BALDOR-RELIANCE MOTORS** - DE is a large stocking distributor for Baldor motors - one of the most well known names in electric motors. Baldor has one of the broadest inventories in the world including MSHA approved motors and Reliance Products.

**MARATHON MOTORS** - Distributor for Marathon motors for pump applications including Vertical Turbines. Marathon offers vector-duty AC motors in a wide range of sizes, which can maintain constant torque to ratios of up to 1000:1.

**FLOWSERVE/INGERSOLL DRESSER PUMPS** - Large stocking distributor for flowserve, highest quality manufacturers of centrifugal, vertical turbine and submersible pumps.

**SANDPIPER PUMPS** - Distributor for Warren Rupp/Sandpiper pumps. Including high quality air operated diaphragm pumps. Ideal for heavy sludge and solids pumping.

**CROWN PUMPS** - Distributor of vertical turbine and deep well submersible pumps. Specializing in special metals for abrasives and chemicals. Cast stainless steel submersible turbine pumps ideal for coal mining bore holes with high acidity levels.

**BENSHAW** - Stocking distributor for Benshaw soft starts and AC drives - extremely durable soft starts and drives for the mining industry.

**INDUSTRIAL MOTION & CONTROL** - DE is a solution provider in coordination with Industrial Motion for Integrated Systems such as AC & DC Drive Systems, SCADA Packages and Telemetry / Remote Monitoring Equipment. IMAC is a licensed Wonderware Integrator.

**Factory Authorized Repair Facility:** General Electric, Baldor, Marathon, WEG, Breuer-Motoren, Flowserve, ABS, Svedala, Roto-Jet, CH&E, Lobe, World Wide Electric, Warren Rupp
